

# El Dorado County Growers It is Your Time to Be HEARD!!!

## - Licensing Not Ransacking -

**THE EL DORADO COUNTY BOARD OF SUPERVISORS NEED TO  
HEAR FROM YOU!!!! SEND THIS FLYER TO A FRIEND**

- So far the County has spent over \$1 million on Enforcement and the Sheriff is raiding properties, destroying greenhouses, stealing cash (many \$100ks) and ransacking houses.
- Voters Voted for commercial cannabis. The Commercial Cannabis program is floundering. The County has not issued one legal cultivation license. The County has done nothing to make it easier for growers to get licenses.
- The Sheriff is blocking all the legal licenses while attacking growers.
- The Sheriff could help growers get licenses instead he is on a revenge rampage and blocking legal license applications.
- The County could issue provisional licenses today like Nevada County has.
- The County's overly stringent requirements have discouraged growers from applying for licenses and hence there is no tax revenue for the County to collect.
- If your Supervisor is Supervisor Turnbo [BOStwo@edcgov.us](mailto:BOStwo@edcgov.us), Supervisor Thomas [BOSthree@edcgov.us](mailto:BOSthree@edcgov.us), Supervisor Parlin [BOStfour@edcgov.us](mailto:BOStfour@edcgov.us), Supervisor Novasel [BOStfive@edcgov.us](mailto:BOStfive@edcgov.us), or Supervisor Hidahl [BOStone@edcgov.us](mailto:BOStone@edcgov.us) ask them to make legal licensing work!!
- In these difficult economic times commercial cannabis will be the engine that restarts the jobs and economy in the rural areas of the county!
